The Art Basel Immersion: Miami's Ultimate Culture Week

November 30 – December 4, 2026 | Miami, FL

Step into the most electric week on the international art calendar, where South Beach transforms into a playground for collectors, curators, and culture-makers from around the globe. This lot delivers the complete Art Basel experience — every major fair, every after-hours gathering, and every detail handled, so all that's left to do is look, mingle, and enjoy.

Your access begins with two 3-day VIP passes to Art Basel Miami Beach itself, the fair that anchors the entire week and draws the world's leading galleries under one roof. From there, the experience expands outward into the satellite fairs that give Miami Art Week its restless, city-wide energy: two VIP passes to NADA and its after-parties, spotlighting emerging galleries and the next generation of artists; two VIP passes to Untitled and its after-parties, set right on the sand with a program known for its fresh, curatorial edge; and two VIP passes to SCOPE and its after-parties, one of the week's most dynamic showcases of contemporary work.

Between fairs, the dining is just as considered. You'll be treated to two curated dinner parties, intimate evenings designed to bring together interesting people over exceptional food — the kind of gatherings where the best conversations about art (and everything else) tend to happen. And for a night that stands apart even by Art Week standards, you'll have two seats at the exclusive Penfolds Art Basel Dinner, a coveted invitation pairing celebrated wines with a menu built for the occasion, in the kind of room where the guest list is as much the draw as the meal itself.

To keep the week seamless, VIP ground transportation is included throughout, so you can move between fairs, dinners, and after-parties without a second thought. And when it's time to rest, you'll return each night to a three-night stay at a 4-star hotel in Miami, FL, perfectly positioned to make the most of everything Art Week has to offer.

From the main fair to the after-parties nobody talks about until they're standing in them, this lot is a all-access pass to Miami's biggest cultural week of the year — curated, chauffeured, and ready for the winning bidder to simply show up.

Throughout it all, you'll have a home base worthy of the occasion with a three-night stay at a premier South Beach hotel, putting you steps from the sand and minutes from the roar of the engines.

Path Two: Las Vegas, Where the Race Never Sleeps

After purchases, buyers will receive an acknowledgment from DEGU that also provides the FMV. Buyers should consult their tax advisors regarding potential tax deductions.
